In the end, motorcyclists could not escape it. The motorcycle technical control project, buried by the government this summer, is reborn from its ashes. This was decided by the Council of State which considers that the abrogation of the decree was illegal. The highest administrative court thus responds favorably to several environmental NGOs.

The autopsy has started to give answers. Justine died by strangulation, and she also received severalblows. Toxicological analyzes have yet to indicate whether the 20-year-old young woman was drugged or not. She had disappeared on Sunday October 23rd in the parking lot of a nightclub in Brive-la-Gaillarde in Corrèze. Her body was found a few days later. The main suspect in this case, a 21-year-old farm worker, admitted to the investigators having killed the young woman and buried the body. He was imprisoned and indicted.

The ban on demonstrating is maintained in Sainte-Soli;n the prefecture of Deux Sèvres extended the measure until Wednesday, after thousands of people had gathered this weekend to protest the mega basin project. The use of the future reserve is to serve as an irrigation basin for agriculture.

Abroad, chaos in Ukraine. A massive attack has been launched since this morning by Russia. Moscow primarily targets energy infrastructure in several regions of the country. 350,000 households are now without electricity in Kiev.

In soccer, no World Cup in Qatar for Paul Pogba. The midfielder of the French team forfeits due to an injury. New examinations have revealed a thigh injury, of which he will not recover in time for the big meeting that starts in 3 weeks. This is a new hard blow for *les Bleus* who already have to do without Ngolo Kanté, who also forfeited due to injury.

And then panic among all Instagram users: A bug is currently affecting the social network, leading to the suspension of thousands of accounts worldwide. The Meta group, owner of the platform, has apologized and indicates that everything is being done to repair this incident.
